Rohit Nair

rohit.nair@example.com | +91 90000 11223 | github.com/rohitnair

Experience

Finlytics | Backend Engineer | Mar 2022 - Present | Hyderabad

- Cut checkout p99 latency from 1.8s to 420ms with a Kafka consumer
- Reduced PostgreSQL read load 62% using a Redis write-through cache
- Wrote 84 tests with pytest, raising branch coverage from 44% to 81%

Projects

- Built a rate limiter capping each API key at 500 requests/min in Go
- Engineered semantic search over 120,000 pages with FAISS, under 50ms

Skills

Python, Go, SQL, Redis, Kafka, Docker, PostgreSQL, AWS, Terraform

Education

B.E. Computer Science | Anna University | 2022 | CGPA 8.9/10
